9. CHANGES TO PRIVACY POLICY

9.1. We may update this privacy policy from time to time. We will post any changes to this privacy policy on this page and will email you if we make any changes that materially affect the way we use your personal data. We will also update the version of this privacy policy on our website.

10. WEBSITE

10.1. We use cookies on our website. Cookies are small text files that are placed on your device when you visit our website. They help us to improve our website and to enhance your browsing experience. You can control the use of cookies on our website by adjusting your browser settings. For more information, please see our cookie policy.

10.2. We use analytics on our website. Analytics are tools that help us to understand how our website is used and to improve our website. We use Google Analytics, which is a web analytics service provided by Google. Google Analytics collects information about how you use our website, including the pages you visit, the time you spend on each page, and the source of your traffic. We use this information to help us understand our website's performance and to improve our website. You can control the use of analytics on our website by adjusting your browser settings. For more information, please see our analytics policy.

10.3. We use social media on our website. Social media are online platforms that allow us to connect with our customers and to share information. We use Facebook, Twitter, and LinkedIn on our website. You can control the use of social media on our website by adjusting your browser settings. For more information, please see our social media policy.

10.4. We use email newsletters on our website. Email newsletters are emails that we send to our customers to provide them with information about our products and services. We use Mailchimp, which is an email marketing service provided by Mailchimp. You can control the use of email newsletters on our website by adjusting your browser settings. For more information, please see our email newsletters policy.

10.5. We use mobile apps on our website. Mobile apps are software applications that you can download onto your mobile device. We use the following mobile apps on our website: the Facebook app, the Twitter app, and the LinkedIn app. You can control the use of mobile apps on our website by adjusting your browser settings. For more information, please see our mobile apps policy.
